Linda Davis - Water Safety

Explained what's going on with the water leakage and replacement of piping and relining of the pool and deck resurfacing.

Provided information on Aerobics and Swim lessons at the pool.

Reminders:

50 people in pool capacity.

260 members soon to add more members.

Trying to remain sensitive to the families need and being equitable for our members.

It is a Legacy Organization, not just a pool service.

Donations accepted please designate monies for donation.

Annual assessment to remain the same as last year \$75.00

Membership Handbook

Tickets given at door for raffle

Canned Food donations accepted for local food bank
